

Grade 7 and 8 YMCA Camp Wanakita 2018 Poinsettia Fundraiser Sale

We are excited to provide an opportunity to help offset the cost for the YMCA Camp Wanakita trip by selling Poinsettia plants for the holiday season. We will be working with **Vermeer's Garden Centre and Flower Shop** (www.vermeers.ca). They are a well-known, family establishment that has been in the business since 1961. This is a voluntary fundraiser and if you decide to participate, the profit from your sales will be put directly towards your "trip account".

Attached are two forms. The first is a **Customer order form** in which you will write each customer's order. The second is a **Total order form**. Please calculate the number of each size and colour plant you need and fill in the form. Please double-check your calculations. This is what we will use to order your plants. Once we have calculated and recorded your earnings you will receive this form back for your own records. On the website, there is a picture of the Poinsettia and the Porch Pot.

You must collect the money at the time of your sale and turn it in with your order. ***Both order forms and all money must be returned by Thursday, November 16, 2017 @ 9 a.m. Orders that are late, or that are received without full payment will not be placed.***

The plants will be delivered to the school on **Thursday, November 23, 2017**. On that day from **12 - 6 p.m.**, YOU will be responsible to pick up ALL your orders and then deliver them to your customers. Poinsettias are very fragile with the cold temperatures; using a vehicle to transport them is suggested. Plants will only be handed out to the seller. With your order, you will get your customer order form back so you can deliver your plants.

Have fun and good luck with your selling!

If you have any questions please feel free to call Miss Whittal/ office at the school and/ or Crystal Marr (905-682-5822).

Here is the information you and your customers will need to know.
