

# Power Glen School Advisory Council

## 2016-2017

SAC is a committee that works together with the teachers, administrators and students to help create a fun, safe learning environment providing the children to have the best school experience possible!

SAC offered many fun events to the students such as Joy Day, Pancake Day, Dance-a-thon, as well as supporting the school's efforts toward Adopt-a-Family, Junglesport, Summerfest, Graduation, and Special Olympics. This year, we were also able to make significant contributions towards resources to support math and literacy among our students.

We encourage you to join us next year to enhance your child's experience at Power Glen. The volunteers at Power Glen are the backbone behind our success. We want to thank all the volunteers who donated their time to our school.

**Together we make a difference!**
