

Dear Power Glen Parent/Guardian,

In May 2016, Power Glen School has a partnership with School Cash, an online portal that allows you to pay for any school service, product or event, all online. The system is now active and you can register any time by visiting our school website and clicking on the School Cash Online button.

Registration should take less than five minutes. To register you will need your child's Ontario Education Number (OEN). The OEN is a unique, nine-digit number assigned to all elementary and secondary students in Ontario. It can be found on your child's most recent report card (note: students in JK: OEN number has been sent home with this letter). If you cannot find your OEN number and require assistance, please contact our school secretary.

#### Register:

- Visit [www.dsbnschoolcash.org](http://www.dsbnschoolcash.org) and select "Register Now"
- Complete the three registration steps
- **NOTE:** You must create your profile using **your name and not your children's**

#### Confirm Your Account:

- You will receive a confirmation email from School Cash Online
- Click on the link provided\*
- Sign in to your account using your email and password

#### Add Student

#### Add Student:

- This will connect your children to your account
- Confirm the school board name – DSBN
- Select our school
- Enter your child's name and birth date
- Select continue
- Confirm your child and select continue
- Your child has been added

1 Type in the School Board name and select one from the list

District School Board of Niagara  
[Change school board name](#)

2 Select a school

Select school

Last Name

Birth Date

Date format: mm/dd/yyyy

Confirm

[I don't want to add a student](#)

#### View Items or Add Another Student

- If you have more children, select "Add Another Student" and repeat the above steps
- If you wish to view a listing of items available for purchase, click "View Items for Students"

\*To ensure the highest level of security, School Cash Online does not support TLS 1.0. Therefore, if you are using Internet Explorer version 9.0 or lower, please refer to the attached instructions on how to access the link within the confirmation email. Alternatively, you can copy the link and paste in Google Chrome.

If you experience any difficulty registering for this service, you can access support and a list of Frequently Asked Questions by visiting [www.dsbnschoolcash.org](http://www.dsbnschoolcash.org) and clicking on "Support."

## A Message to Parents Using Internet Explorer and Android KitKat

The Payment Card Industry (“PCI”) Security Standards Council recently released PCI Data Security Standard 3.1 (“PCI DSS”), which ceased the acceptability of TLS 1.0 as a secure protocol. TLS 1.0 is a security protocol used to establish a secure connection between *School Cash Online* and the user.

As a credit card Service Provider, KEV Group (“KEV”)’s *School Cash Online* adheres to PCI DSS requirements. Therefore, effective immediately, *School Cash Online* will no longer support TLS 1.0.

### Who is effected?

This change will affect you if you currently using:

- Internet Explorer versions 7 to 10
- Google Android OS Browser on Android 4.4.4 (KitKat).

### How Will This Affect Me?

If you are using any of the above browsers, or a browser with only SSL or TLS 1.0 protocols enabled, you will not be able to access School Cash Online.

When you attempt to access the URL: <https://www.schoolcashionline.com>, an *error message* will prompt you to turn on TLS 1.1 and TLS 1.2 in advanced settings.

### What should I do?

#### If you are using Internet Explorer:

1. For Internet Explorer versions 7 to 9 on Windows Vista and Windows Server 2008, users must upgrade their browser to the latest version or use an alternative browser, such as Google Chrome.
2. For Internet Explorer versions 8 to 10 on Windows 7, Windows 8, Windows Server 2008 R2, and Windows Server 2012 users must go into their settings and enable these protocols. Please see steps below for instructions.

#### If you are using an Android Mobile Device:

1. Android OS Browser on Android 4.3 and older does not support TLS 1.1 and TLS 1.2. Users must use an alternative mobile browser or use a desktop browser.
2. Android OS Browser on Android KitKat have TLS 1.1 and TLS 1.2 disabled by default. Users must go into their settings and enable these protocols.

# SchoolCashOnline

## Fast. Safe. Convenient.

Pay for your child's school fees, safely and securely!

School Cash Online is proud to be a leader in helping to make parents' lives a little easier. Gone are the days where parents have to run to the bank in order to send money with their child to school. School Cash Online enables parents to pay for their child's school fees online, safely and securely. No wonder thousands of schools across North America have partnered with us!
